New Hampshire’s 2024 Moose Hunt Is October 19–27 September 26, 2024

New Hampshire Fish and Game

... Thirty-three permit holders were drawn in this year’s lottery, randomly selected by computer from a pool of more than 6,100 applicants... The state’s first modern-day moose hunt took place in 1988, with 75 permits issued in the North Country. At that time, New Hampshire was home to about 1,600 moose. Today, New Hampshire has about 3,300 moose..,
