

COZYLITTLEARTBLOG'S ACRYLIC CHARM COMMISSION TERMS

⚠ UNITED STATES ONLY ⚠

I WILL NOT DRAW:

Charms featuring gore or sexual content, hate speech, pedo, or incestuous content.

I WILL DRAW:

Your Original Characters, fanart, couples, and weapons. Animals, anthro, and robot characters are case-by-case and may raise the price.

- Commissioned charms are produced alongside my regular stock orders for my Etsy, so there may be a few weeks between when your charm is finished and when it's sent off for production. I try to open these commissions in-time with when I need more stock to minimize these waits, but keep this in mind.
- Payment is via PayPal Invoice only and owed fully and up front. Orders will ship USPS First-Class. Shipping is free within the United States.
 - You are more than welcome to [send a rough doodle](#) of what you'd like, I love collaborating with my customers for a better end product.
- You will receive frequent WIP's at every stage to make sure everything is to your liking.
- You will receive a full-resolution digital .png of your commission for your own personal use! You are **not** allowed to use these files to produce your own charms or merchandise, but you *may* use it for social media icons, a character's toyhouse profile, etc
 - **You may NOT use the artwork for ANY AI or NFT purposes.**
- Artwork turnaround is approx. 4-6 business weeks maximum. Production turnaround is approx. 3 - 5 business weeks, depending on the time of year. This document will be updated with production status when applicable.
- Customers will receive Two (2) acrylic charms of the same design. This is insurance in case one charm arrives with a manufacturing defect, which is unlikely but possible. If *both* charms arrive with a defect, you will still be sent the defective charms, and I will re-produce the design for you in my next order and send those as well free of charge.
- Extra charms in your order beyond the standard two are \$5 each per charm. In the future, if you would like to order more charms of a design you previously commissioned, it is \$12 with free shipping within the United States.
 - Your commissioned artwork is exclusive to you and will not be sold in my store!
 - If you are curious about anything not mentioned here, you are welcome to ask!

Information I'll need:

1. A description of the charm you'd like. What character(s)? What style? You can send a [basic sketch](#) if you have a particular idea, or use any charms I've made as reference.
 2. If you would like any extra charms
 3. Which clasp you'd like
 4. An email to send the Paypal Invoice to.
