

A Murder Mystery by Chris Martin www.murderplays.com

This Murder Mystery is set in the present at the fictitious Primrose Glade Hotel (2 stars), in non fictitious Canvey Island. Rex Wiltshire (Martin Lepley), the manager, has a shady past. He's holed himself up in a quiet, discrete hotel miles away from the sea. The Primrose Glade Hotel (2 stars) is a pleasant enough place but attracts only a few customers... so how come Rex and his wife can spend so lavishly? Rex is hiding from someone, someone who wants revenge, someone who is going to shatter the calm of this pleasant seaside town! But who wants Rex dead?... It would appear that his past is about to catch up with him!! Could it be Daphne Wiltshire (Dot Beers), his overly glamorous wife? June Fairweather (Georgie Whitaker), the willing, but clumsy, maid? Fred Potter (Rob Simmons), the earthy, plain speaking cook? Susan Ward (Sarah Lepley), a curt, secretive guest at the hotel? Charles Cusspet (Matt Hardiman), the reclusive second guest? Or...Sid Whittle, aka Randy VanDriver, (Luke Chapman), the lead singer with guest rock band 'Cherokee'? There are more than a few echoes of 'Fawlty Towers' in this comic murder mystery. Detective inspector Peach is once again called in to unravel another challenging and unsettling murder mystery... as are the audience!!
