

MARKETPLACE FOR EVENTS, CLASSES, AND EXPERIENCES

EMAIL TEXTS

This document includes email texts for an event, class, or experience marketplace built with Sharetribe. It uses the updated event marketplace terms instead of the default terms.

These terms have been updated:

- Listing: **Event/event listing**
- Listing author: **Organizer/event organizer**
- Seat: **Ticket**
- Stock/Inventory: **Capacity**
- Item (piece of stock): **Ticket**

Here's how you take the event email text copy into use:

1. Copy everything in this document after the dividing line, starting from the curly bracket ({“BookingAccepted...}).
2. Go to your email text editor: <https://console.sharetribe.com/a/content/email-texts>
3. Delete all old email texts.
4. Paste the new texts to the editor and save.
