

Film Swap Signup Sheet

Choose a partner by putting your name next to another participant. You will both exchange film rolls when you are done shooting. Indicate what type - film format, color or B&W - and partner up. Have fun!

You will present your work at our June 4th online Show & Tell, so give yourself enough time to shoot, swap, shoot again, and process/scan/edit. We suggest starting in early May at the latest.

Participant Name and Email	Shooting (Film Type)	Partners With Name + Email
