It's crucial to note that ABSTRACTS THAT FAIL TO MEET THESE FORMATTING REQUIREMENTS WILL BE RETURNED TO THE AUTHOR(S) FOR EDITING.

The abstract should be single-spaced. All margins should be 2.5 cm.

Please DO NOT USE endnotes or footnotes.

YOU CAN USE THIS DOCUMENT FOR YOUR ABSTRACT WRITING BY REPLACING THE INSTRUCTIONS WITH YOUR TEXT.

ABSTRACT TITLE (Roboto, font size 16, bold, upper case, centred)

Name SURNAME (Author 1; Roboto, font size 12, centred)
Institution's name in English and address (Roboto, font size 12, italics, centred)
E-mail address (Roboto, font size 12, centred, not underlined, black)

Name SURNAME (Author 2; Roboto, font size 12, centred)
Institution's name in English and address (Roboto, font size 12, italics, centred)
E-mail address (Roboto, font size 12, centred, not underlined, black)

Abstract (Roboto, font size 14, bold, justified)

Background: *Abstract text. (Roboto, font 12, italics, justified) Use single-line spacing. Do not use bullets or numbering, tables or figures in the abstract. Do not include references in the abstract. The abstract should be between 300 and 600 words in length. Each section should be concise and provide clear and specific information. The abstract cannot be written in general terms.*
Objectives: *Explain the purpose of the research by clearly stating its objective/s.*
Methodology: *Briefly refer to the research design/methodology/approach used in the research.*
Findings: *Clearly present the most significant results of the research.*

Keywords (Roboto, font size 12, bold, justified): Youth & Active EU Society, Diversity, Inclusiveness, Solidary Europe, Sustainable Cities (up to 5 keywords; Roboto, font size 12, lower case, justified)

JEL classification (Roboto, font size 12, bold, justified): M14, M20, M21, M29 (up to 5 JEL codes from the following JEL classification system; Roboto, font size 12, justified)

Acknowledgement (Roboto, font size 14, bold, justified)

An acknowledgement section is optional (Roboto, font size 12, justified).
