

What is a School-Parent Compact?

A School-Parent Compact outlines how parents, school staff, and students will share the responsibility for improved student academic achievement. Effective compacts:

- Focus on student learning
- Link to academic achievement goals
- Share strategies that parents can use at home
- Explain how teachers and parents can communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Building Partnerships

NPS provides parents opportunities to participate in their child's education in ways such as:

- Parents are provided with resources and asked to help their children with learning targets and literacy tasks at home
- Parents are encouraged to participate in PTO meetings and activities
- Parents are invited to attend:
 - Open House
 - Annual Title I Parent Night
 - Parent/Teacher Conferences
 - MTSS Meetings
 - Special Events - e.g. BINGO for Books
