

Subject: Please Support HB1052 – Illinois Mobile Food Vendors

Dear Representative [Last Name],

My name is [Name], and I own or operate [**Food Truck / Business Name**] based in [**City, Illinois**].

I'm writing to respectfully ask for your support of **HB1052**, legislation sponsored by **Representative Dave Vella** and co-sponsored by **Representatives Steven Reick and Jeff Keicher**, which would help create clearer and more consistent regulations for mobile food vendors across Illinois.

Currently, food trucks must navigate a patchwork of rules that can vary from county to county, which can create confusion for both vendors and regulators. HB1052 helps move Illinois toward **greater regulatory consistency while maintaining strong food safety standards and health department oversight**.

Illinois food truck owners take food safety seriously and want to operate fully in compliance with health department requirements. This bill helps ensure those rules are applied more consistently across jurisdictions.

Optional personal note:

[Example: Our food truck serves events in multiple counties each season, and consistent regulations would help small businesses like ours operate more efficiently.]

I respectfully ask that you **support HB1052 and consider becoming a co-sponsor of the bill**.

Thank you for your time and your support of Illinois small businesses.

Sincerely,

[Name]
