

2023-24 DPLC & CRT Professional Development Schedule

We are looking forward to our next Division Professional Learning Community (DPLC) and Culturally Responsive Teaching (CRT) Professional Development (PD) Day on **Monday, October 30**. Please reference the schedule below for the times and locations of your DPLC meetings and your Culturally Responsive Teaching PD.

Important Notes:

1. Not all DPLCs are meeting based on level. Please check each DPLC offering to find your group.
2. If you are unable to attend your **grade-level or building-level** CRT PD because it conflicts with your DPLC meeting time, please attend the **Virtual Culturally Responsive Session** that offers the most benefit and convenience for you.

As a reminder, the following dates are reserved on our [2023-24 School Year Calendar](#) for DPLC meetings and CRT professional development: September 29, October 30, January 25, March 5, and April 29.
