Just a small town girl  
Was she traveling  
There is more people  
Singer in a smoky room  
Those things smell bad  
Woah that's really long  
What are there shadows doing  
Just a small town girl  
Living in a lonely world  
Thank you so only a small town girl  
Midnight train anywhere  
Singer in a smoky room  
Those things smell bad  
Strangers waiting  
Shadows searching in the night  
Street lights  
Hiding somewhere in the night  
Where does she live  
Does she stay there  
She took the midnight train  
Thank you  
So they both took the same train  
What does the room smell like  
Cheap perfume  
Okay  
Uh huh  
Strangers  
Where  
What are their shadows doing  
Street lights  
What are the people's life goals  
Where and when  
(Music) Just a small town girl  
Where does she live?  
South Detroit  
Smokey room  
Smell of wine and cheap perfume  
Shadows in the night  
Street lights  
Find emotions  
Where and when?

I was going to ask the same question  
Sometimes a little to straight for me  
Let's do it  
Little mountain went so well  
Don't be afraid of these mountains  
Shoot!!  
Make friends with the night  
Doing things with a knife you can't believe  
Young friends come in  
Ready to get brave  
Let's do it  
This is your bravery test  
You do need to make friends with the night  
It takes a little while to make friends with it  
Base  
Sometimes it is too straight  
What you got to do.  
Let's do it  
That mountain went so well  
Right here  
Do not be afraid of these mountains  
Takes a little time  
A little foreign to you  
Here in the studio we just had a few of our young friends come in  
Let's have a big mountain  
Don't be afraid of these mountains  
Just like anything else  
Takes a little while  
Okay there  
Just had a couple of my young friends come in  
Its unreal

I am an angel in an earth suit  
Okay!!  
Hahaha  
You can't go wrong with a cat in the hat  
Finally understanding nothing  
Tickle tickle  
I am the cat in the hat  
And I love you  
Everyone i see carries a rainbow around their shoulders  
I killed a lot of people in many ways  
Ride a horse backwards  
Always up to you  
Simple as making soup  
Finally Understanding Nothing  
I am a tickle monster  
I am a winner  
Angel of Silk  
Hahah  
Carries a rainbow around their shoulders  
I'm an angel in an earth suit  
Ya ya okay  
No matter what you say, no matter what you do  
FUN, finally understanding nothing  
Tickle tickle  
I'm having so much fun i can't remember my name  
Everyone I see carries a rainbow around their shoulders  
Go to Texas to ride a horse backwards  
Can't go wrong with the Cat in the Hat  
Finally understanding nothing  
I am a tickle monster  
I am the Cat in the Hat  
I am the Angel of Silk
