References (heading font size 16) [Please cite according to APA 7 format using the name-year system. Please read the detailed guidelines and instructions for article authors]

(font size 14 --- listed in alphabetical order, and the number of entries must match and equal the citations used in the article content)

For academic articles, authors may determine topics according to the issues they wish to present. It is not necessary to use research article headings (as in the example).

Article Submission - What article authors must submit:

1. Application form for article submission for publication consideration in DEC Journal: Art and Design
2. Article manuscript file formatted with Microsoft Word according to the journal's specified format

Submit through the journal system (ThaiJo)
