

ParentVUE - Student Name Pronunciation

Our district has enabled the Name Pronunciation tool in ParentVUE. This allows parents to record the pronunciation of a student's name and provides teachers with the ability to listen to recorded names. This guide describes how to record the pronunciation in the ParentVue app.

Recording a Student's Name

1. In the ParentVUE mobile app, if your student's name is not recorded, the following screen displays when you select your child:

- Select **Yes** to record the student's name and go to step 2. The Name Pronunciation screen displays.
- Select **No** to record the student's name later.
- Select **Never remind again** to not record the student's name.

2. Tap

3. Say the student's name and tap
