

THE IMPERIAL INSURGENCE

RANK STRUCTURE OUTLINE

This document has been meticulously crafted to outline the organizational structure of the Imperial Insurgence, encompassing ranks ranging from Private to the Emperor of Surge. Within these pages, you will find detailed descriptions of each rank, including their respective responsibilities and the attainable departments and divisions as one progresses through the ranks. This comprehensive guide aims to provide you with a clear understanding of our esteemed hierarchy.

INSURGENT

PRIVATE – As newly inducted Insurgents, Privates must prove their worth to the Insurgence. To progress, Privates must either join the **Community Department** or the **Arbiters**. However, if you graduated from the Ascendant Leadership Program, you can pursue the **Insurgent Leadership Program** instead.

PRIVATE FIRST CLASS – Having proven their worth, Private First Class personnel have shown their commitment to the Insurgence. As a result, they are now eligible to join either the **Blacklist Department**, **Merit Department**, or the **Insurgent Ascension Program Command**.

SENIOR INSURGENT

LANCE CORPORAL – Lance Corporals, recognized for their strong understanding of the Insurgence and its operations, have attained the rank of Senior Insurgent. Their significant contributions in their respective departments demonstrate their dedication. As a result, they are now eligible to undergo the trial process for the **Insurgent Officer Academy** and prestigious divisions: the **Praetorian Guard**, **Arconian Special Operations Command**, or the **Arconian Old Guard**.

CORPORAL – Located at the top of the Insurgent case, Corporals face a consequential decision regarding their career within the Imperial Insurgence. Idolized as role models, Corporal may either stay at their current position or apply to participate in the **Imperial Officer Academy**.

SENIOR OFFICER

CAPTAIN – Captains serve as an initial tier of upper management and warfare, recognized for their skills and proficiency in various aspects of the Insurgence. They often **collaborate closely with department heads** to ensure smooth operations.

MAJOR – Majors serve as the essential pillars of the Insurgence's administration. Their significant contributions and dedication earn them this respected position. By assisting or overseeing departments as **second-in-command**, or even leading a division as **first-in-command**, they are effectively preparing themselves for high command responsibilities in the near future.

JUNIOR HIGH COMMAND

LIEUTENANT COLONEL – Lieutenant Colonel is the pedestal of the Insurgent High Command. With responsibilities surpassing those of Senior Officers, these individuals have excelled in every facet of their contribution to the Insurgence. They possess the exceptional ability to **oversee entire departments or sectors**, standing trial to solidify their position as trusted leaders in line for higher oversight.

HIGH COMMAND

COLONEL – Colonels, as respected overseers, serve as **direct aides to the Generals, overseeing all sectors of the Imperial Insurgence**. With their expertise and guidance, they ensure smooth operations and coordination. These leaders exemplify effective management, driving the community toward collective success through dedicated leadership and vision.

GENERAL – The Generals serve as the four pillars of the Insurgence's military structure: Insurgent Ascension Program, Internal Affairs, Warfare Command, and lastly, Strategic Operations. With their brilliance and tactical expertise, they provide a strong foundation for the organization. Serving as the very advisors to the Emperor, ensuring the success and unity of the Insurgence.
