

Dear Parents of Incoming Grade 7 & 8 Students,

As the end of the school year is fast approaching, we wanted to let you know of a language arts and math resource that is available to all students over the summer to help prevent summer learning loss.

IXL is an online program that provides a Summer Boost Skills Plan for each grade level in language arts and math. This is a 4 week program that provides a day by day skill plan. It is recommended that students practice skills for a certain amount of time each day (15-20 minutes) or try to reach a Smart Score of 75 or better.

Please note that this is an additional resource for students; it is not a school requirement and is not meant to take the place of the PMS Summer Reading requirements. The PMS Summer Reading requirements and materials have been shared and reviewed with all students. Students should have copies of the materials in their Google Drive ELA folders and in their ELA Canvas course. These materials are also available on the [PMS Library home page](#).

IXL Student Login Information

- 1.) Students should go to the Ponaganset Middle School website page. Under the Student tab, students should click on the Clever link.
- 2.) Students can access the IXL website through Clever by signing into their Google account. This will take you to the IXL website.
- 3.) To access the Summer Boost Skills Plan - Under the Learning tab, click on Skills Plan. Then scroll down the page and you will see IXL Summer Boost Language Arts and Math K-12.

Incoming Grade 6 Students will not be able to access IXL.
