

PROJECT "FAIR PLAY 4 INCLUSION"

PLOGGING

On 20th August, **ENTREJUEGOS** carried out a new plogging activity for the project **"FAIR PLAY 4 INCLUSION"** (Erasmus+ Sport) coordinated by S&G Turkey.

Five young people cleaned several green areas of the park "Camorrillo" in order to contribute to the care of the environment at the same time that we carried out an activity in the open air and in contact with nature.

During the activity we received the congratulations of some neighbors for carrying out this initiative and raising awareness among the local population to keep our village clean.
