

With over a decade of experience inspiring young musicians, Tyler Morris serves as the Director of Choral Activities for the Van Buren School District, where he leads thriving vocal programs built on passion, discipline, and artistry.

A proud graduate of Arkansas Tech University, Tyler earned his Bachelor's degree in Music Education in 2014 and later expanded his leadership expertise with a Master's in Educational Leadership in 2022.

His students are known for their consistent and outstanding musicianship, earning placements in regional, state, and national honor choirs, as well as Superior ratings and Best in Class at regional and state CPA competitions.

In addition to his commitment to his own choral program, Tyler actively contributes to the choral community in Arkansas through his service as board member of the Arkansas Choral Connection Choir camp, board member of Arkansas Choral Directors Association, and nationwide as a member of American Choral Directors Association.

Outside of his professional life, Tyler is an accomplished athlete, frequently participating in Crossfit competitions. He is also an avid disc golfer and, perhaps most importantly, shares a passion for travel with his wife, Brenda. The couple is actively engaged in their local church where they both serve on the Worship Team, and they cherish spending quality time with their respective families.

Driven by a belief that music transforms lives, Tyler Morris continues to bring passion, creativity, and excellence to every stage, both in and out of the classroom.
