Students making the transition from middle school to [Port Huron High School](#) in the fall received advice from students in **Mrs. Brandie Kindle's Senior Leadership class at PHHS**. Mrs. Kindle said the idea came from a class discussion a few weeks ago where she asked what advice the students would give to incoming freshmen. The students were excited to be able to plan and share with future Big Reds what life is like in high school, and proposed their idea to Principal Palmer. Mrs. Kindle said that "after a year and a half of nontraditional school, a lot of students are unaware of some of the 'ins and outs' of high school." Students from her class spent time with eighth graders at [Central Middle School](#) on May 19 and [Holland Woods Middle School](#) on May 20.

Students from Mrs. Kindle's Senior Leadership Class shared with students at Central Middle School. More photos of this event are available on [Central's Facebook page](#).

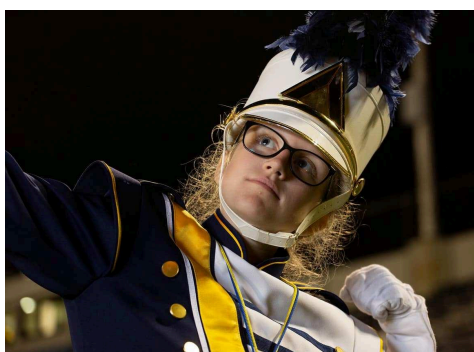

Our middle schools have each planned **orientation events for incoming 6th graders and their parents:**

Central: Tuesday, May 24, 6 p.m.
FGMS: Wednesday, May 25, 6 p.m.
HWMS: Wednesday, May 25, 5 p.m.

Please check with each individual middle school more details on each event!

On Sat., May 14, the members of the **Central Middle School 8th Grade Band**, some **volunteer 7th grade Central Middle School band members**, **Central staff and alumni**, as well as a **group of PHHS Big Reds** played in support of the [St. Clair County Community of Mental Health's Annual Run for Recovery](#). **Central Band Director Shawna Manhart** reported that since May is Mental Health Awareness Month, they were excited to be a part of this and support our community. More photos of this event can be seen on the [Central Middle School Band Facebook page](#).

Congratulations to **Claire Marquardt** (PHN '22) on being selected to receive the **John & Rose Marie Wismer Award**. According to Randy Maiers, President/CEO of the [Community Foundation of St. Clair County](#), this is **their most prestigious award**. It "goes to a very select few, only 1 or 2 new per year - students from throughout the entire region. The award starts out at \$7,500 per year and is renewable annually until she graduates, and the dollar amount generally increases each year as well. And, she serves on our Blue Water Arts Committee and is really an impressive young woman!"

I hope you are planning to join me at the [2022 Ks For Kids Fun Run](#) on **June 9** (1 mile begins at 6:00 p.m. 5k at 6:30 p.m.) as we pay tribute to the Superheroes of our community. This event, along with the fall Crosstown Showdown, are the two fundraisers that the Endowment Fund hosts annually to **support our students with classroom grants, student programs and college access in our district.** It's not too late! Some of the job opportunities in the internship program include physical therapy, medical imaging, inpatient nursing and laboratory interns. The intention for this fall is to expand the program to include positions in facilities and clerical areas. McLaren Port Huron is planning to hire up to 12 students per semester.
