1. Introduction

Mouse Jiggler (the "Extension") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, and disclose information when you use our Extension. By using the Extension, you agree to the collection and use of information in accordance with this policy.

2. Information We Collect

Our Extension does not collect any personally identifiable information (PII). We do not require you to provide any personal data to use the Extension. The Extension operates locally on your device and does not transmit any data to our servers.

3. Permissions

To provide its functionality, the Extension requires the following permissions:

- **activeTab:** This permission allows the Extension to access the currently active tab in your browser to prevent the computer from going to sleep. It ensures that the Extension interacts only with the tab you are actively using.
- **scripting:** This permission allows the Extension to inject scripts into web pages to simulate user activity (e.g., mouse movements) to keep the screen active. The scripts are executed only in the context of the active tab.

4. How We Use Your Information

Since we do not collect any personal data, we do not use your information for any purpose beyond the functionality of the Extension. The Extension operates solely to prevent your computer from going to sleep while you are using it.

5. Data Security

We are committed to ensuring that your information is secure. As we do not collect any personal data, there are no data security measures required for user information. However, we encourage users to keep their browsers and devices secure.

6. Third-Party Services

Our Extension does not use any third-party services that collect or process your personal data. We do not share, sell, or rent your information to any third parties.

7. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
