

Request from SciMathMN and MCTM - November 2025

In order for this vision to be fulfilled, we need several MN educators to support this work by serving as active members on the SciMathMN Board.

What is the commitment:

- Attend 6 board meetings annually.
- Serve on at least one committee or task force.
- Participate in the annual strategic planning session.
- Provide input and guidance on key initiatives.
- Term length: 2 years, with the option for renewal.
- Estimated time commitment: 3–4 hours/month.
- We meet on the 3rd Monday of the month for board meetings, every other month starting in September each year. If this falls on a national holiday, we push it to the next week.
- Here is the schedule we have for this year:
 - Aug 21st (STEM Day at the Fair-Optional)
 - Sept 15th
 - Nov 17th
 - Jan 26th
 - Mar 16th
 - May 18th
 - Meetings are 90 mins, and they are full of updates, great conversation, and learning for us all.

We ask that Board members serve on one of our committees below, and they meet once a month for 45 minutes. (all meetings are virtual or hybrid)

- Board member meets every other month for an 1.5 hour (3:30)
- Committee meets every month for one hour (likely 3:30 or 4:00)
- Both Start in November
- Virtual

Action items

- Reach out to Vic Dreier @ 507-910-9587 or vdreier@ssc.coop with questions or if you are wanting to join the work.
