After your eyes adjust to the brightness of it all, you feel an inviting warmth roll over you, the feeling of coming home to your lover brewing a warm cup of coffee as you sit in front of the hearth, away from the cold outside.

You see a half-asuar woman at the counter. She greets you with an equally warm smile.

"Welcome to Uveto's number #1 Cum cafe!" the lithe woman says with great ambivalence. I'm the owner, Sam. We serve only the finest in Yukoti jizz in only the best flavors.

Sam is a very beautiful women she stand about 5'6" with very small breasts, possibly no bigger than an B-cup. Just enough to fit in your hands. She has long black hair to her lower back and a cute black dog tail. She is wearing a tight little apron that does little to cover her plump backside.
