

American Studies 1
Unit 2-The American Revolution
Battles of the Revolutionary War

Task: Students will examine the American and British positions during the Revolutionary War, and summarize the outcome of the major battles.

Use the following website as your primary resource:

<http://teachingamericanhistory.org/static/neh/interactives/americanrevolution/>

Follow the directions on the interactive map to locate the battles, find out what happened, and who won.

Create a google doc, and for each battle summarize the following:

- 1. Where did the Battle take place? (city/ town and state)**
- 2. When did the Battle take place? (month and year)**
- 3. What was one important aspect of the battle?**
- 4. Who won the battle? (some battles could be considered great victories/defeats, minor victories/defeats, or neither side may have gained much/stalemate)**

Here are the major battles of the Revolution:
