CO-OP Start & Business Boost Program

Application admissions for the Fall 2022 session is open.

entrepreneurs, non-profits, & other small businesses also welcome.

About Co-op Academy

Co-op Academy is an aid to help individuals or groups who are interested in starting a cooperative business or exist as a co-op, gain the necessary information and tools to launch or develop co-op concepts, identity, member-owner relationships, attract new stakeholders, further their mission, and /or become a vibrant part of the new co-op economy ecosystem.
