

Ironman Talisman Cheat Sheet

Each section is organized in vaguely the easiest order of talisman acquisition.
Talisman sheet still requires some reevaluation with the Nether update and recent changes.

Free and Non-RNG

Campfire Initiate Badge (Obtained by completing the first tier of the Trials of Fire in the park. The next couple of tiers are cheap and easy to get in early game.)

Shiny Yellow Rock (Part of the Romero and Juliette quest, the first several tiers of the Ring of Love are free or incredibly cheap.)

Cat Talisman (Obtained by completing several of the dungeon hub races, the first tier of this talisman is easy to get.)

King Talisman (Obtained by talking to every king in the dwarven mines while they hold the throne, this talisman only requires occasional attention to the time in order to get.)

Pig's Foot (Obtained by beating Guber in a race on the End Island. This talisman is relatively easy to get, though it may require an AotE or several hundred speed.)

Wolf Paw (Obtained by beating Gustave in a race in the Park Island. Same reqs as above.)

Frozen Chicken (Slightly ping based, some people may have problems getting this talisman. Obtained by completing the chicken race on the Jerry Island.)

Melody's Hair (Obtained by completing several songs of progressively harder difficulties on Melody's harp in the park lobby, this talisman is largely dependent on ping and can take anywhere from 15 minutes to half a dozen hours.)
