*Hi there! I'm Gina Galore, a voice actor & singer  
with a professional home studio.*

*Some of my clients include StudioFOW, Derpixon, Tabuley, Redmoa,  
BaronStrap, Cyberframe Studios, Belgerum, CherriiP, Arvus Games, and  
BlueLightSFM.*

• **Voice acting services include:** •

- A **free quote** and/or **audition demo**
- Recording and delivery from my **professional home studio**
- Minimum of **2-3 takes** of the script for dialogues/monologues
- Minimum of **1-2 takes** for loops of vocal sex sounds
- Minimum of **3-5 takes** per voice asset for video game assets
- The choice between the **RAW audio file** (in case a professional will mix the audio) or an **edited version** (standard editing includes volume control, compression and EQ), or both
- The choice between high-quality **WAV** or **MP3** files, or both
- A **fast response** through email, Twitter or Discord

## • What I'd need from you: •

- What **type of project** is it? Video game, pre-lay animation, dubbing etc.
- What is the **deadline** for delivering my recordings?
- **How many lines/loops/assets** would you need from me?
- What is the **genre**? Please check my '**won't do list**' to see if we can work together or not
- Do you have a **proof of concept or work in progress** I can see/read?
- An **upfront payment** through PayPal is required, you'll receive an invoice from me over there

## • Trained Accents\* •

*\* I'm always up for the challenge of working on a new accent if you prefer something not on this list. Also might refer you to a different VA if I know they are a native speaker and you're looking for authentic representation.*

## • Commission Terms •

- I do not consent to my voice (recordings) being used for A.I./voice-cloning in any way
- I have the right to refuse a commission or not upload it anywhere for any reason
- I will not share your work or personal information without your permission
- You're free to publish your commission to (a) platform(s) of your choice, as long as I am credited
- Please don't sell my audio or the commission involving my audio to a third party or on paid sites unless we have an arrangement
- Please don't use my audio for any other projects than the commission unless it's discussed and agreed upon
- My audio remains my creative property
- My audio is not to be used in any way relating to my 'wont do list' (please check my list below)
- You must be 18+ to commission me
- I will keep you updated on my progress and appreciate it a lot when you do the same, always love to see and/or hear the finished project!

## • Won't Do List\* •

- **Characters under the age of 18**
- **Scat**
- **Non-con / rape** (all sex must be consensual, dub-con may be considered but it's a fine line)
- **Bestiality** (furries, anthros, aliens and such are fine, as long as they are capable of giving consent)
- **Extreme violence** (injuries and blood, cries of actual pain and/or torture without consent etc.)
- **Hateful content** (anything that glorifies racism, transphobia, homophobia etc.)

*\* You can always contact me with more information about your project to see if it's something that I could work on.*

## • Payment •

**Please contact me directly about my rates.**

I manage all payments through my PayPal Business account. Once we've discussed the project, fee and deadline, I'll send you an invoice through PayPal. When the payment is received, I will schedule the recording ASAP.

*Thank you so much for reading this.  
I look forward to receiving your commission  
and working together with you!*
