Hibiscus Oil

Unlock the power of flowers with Hibiscus Carrier Oil, derived from the seeds of the Hibiscus sabdariffa plant native to South East Asia. With naturally gentle alpha hydroxy acids (AHA) and a high Omega-6 Linoleic Acid concentration, this carrier oil keeps skin moisturized, and is ideal for dry, flaky, and acne-prone skin. Widely incorporated into personal routines and professional beauty products, Hibiscus Carrier Oil is favored for its ability to soothe sensitive or aging skin.

Rich in flavonoids, carotenoids, and tannins, Hibiscus Oil acts as an effective antioxidant, helping to protect the skin against environmental elements, such as cold, harsh winds. When used regularly, versatile Hibiscus Oil helps maintain a radiant complexion and healthy-looking hair.

Botanical Name: Hibiscus sabdariffa

Origin: Morocco

Extraction Method: Cold Pressed

Color/Consistency: Pale yellow to golden yellow liquid. Light to medium consistency.

Aromatic Summary / Note / Strength of Aroma: Mild nutty aroma.

Absorption: This oil absorbs easily into the skin leaving a silky-smooth feeling.

Shelf Life: Users can expect a shelf life of up to 1 year with proper storage conditions (cool, out of direct sunlight). Please refer to the Certificate of Analysis for the current Best Before Date.

Cautions: None known.

BENEFITS

Revives Damaged Hair: Enriched with amino acids, Hibiscus Carrier Oil stimulates keratin production, restoring strength and elasticity to hair affected by hard water, resulting in a healthier appearance.

Nourishes the Scalp: This opulent oil from Hibiscus flower seeds is rich in vitamins and potent antioxidants that deeply nourish the scalp, fostering sebum production for optimum moisture and lustrous shine along the roots and strands.

Supreme Hydration: Omega-6 Linoleic Acid replenishes and hydrates extra dry skin, leaving it irresistibly smooth and velvety to the touch. With naturally gentle alpha hydroxy acids (AHAs), Hibiscus Carrier Oil unveils a more radiant skin complexion. Hibiscus Carrier Oil is safe for use on acne-prone skin.

Powerful Antioxidants: Hibiscus Carrier Oil contains flavonoids, carotenoids, and tannins that create a protective shield against harsh minerals like Calcium and Magnesium, helping to preserve the vibrancy and youthfulness of both skin and hair.

DIRECTIONS AND USES

- **Soothing Skin Care:** Moisturize and soothe skin by applying a few drops of Hibiscus Carrier Oil and gently massage in a circular motion until fully absorbed. This oil can be incorporated into skin care products at concentrations ranging from 1–10%, depending on the desired effects. Experiment with different formulations to find your perfect blend.
- **Featherlight Hair Nourishment:** Massage a small amount of Hibiscus Carrier Oil into the scalp and through the lengths of damp or dry hair. Leave it on for at least 30 minutes before washing off with shampoo. To add Hibiscus Carrier Oil to hair care products, start at a concentration of 1–5% of the total product volume. This can help provide nourishment and moisture to hair without weighing it down.
- **Zen Massage Sessions:** Warm Hibiscus Carrier Oil in your hands and apply to the skin in long, smooth strokes. Its moisturizing abilities make it an excellent choice for massages, enhancing relaxation.
- **Calming Aromatherapy:** Add a few drops of your favorite essential oil to Hibiscus Carrier Oil and use in aromatherapy practices. It can be diffused, added to bath water, or applied to pulse points for a relaxing and rejuvenating experience.
