

Meal Charges

Meal Charges and Balances

Students will pay for additional meals at the regular rate approved by the School Committee, and ala carte purchases each day. Payment options will be delineated in student handbooks and provided to parents of incoming students. When a student's account balance enters the negative, students will not be allowed to purchase a la carte items including but not limited to a second entrée, snack, ice cream, or an additional beverage. The parent/guardian is responsible for any meal charges incurred. If there is a financial hardship, a parent/guardian should contact food services directly to discuss payment options.

Adults will pay for meals and/or ala carte purchases daily. Adults are allowed to charge the value of one meal and only one meal.

Any negative balances must be rectified and paid by the end of the school year, if necessary using donations from parents and/or district supplementing funds to bring accounts whole.
