

Members Committee

Members Committee aims to assure that every association follows the ESTIEM's Membership Regulations by monitoring and supporting Guests and Observers on their way to Membership. A further aim is to provide for the activeness of our members and to evaluate new opportunities for growth.

We are a very hard-working team eager to add value to our network and the Local Groups to come. If you see yourself as a knowledgeable person and are motivated to dedicate a full year to ESTIEM, we have the right position for you!
