Pre-Algebra Accelerated Grade 6 Success Metrics

Capistrano Unified School District recognizes that a small group of students must be considered for an individualized acceleration pathway. A team of teachers, administrators, and math education experts identified metrics to ensure that students who qualify to accelerate their math journey during 6th Grade are equipped with the knowledge and skills necessary for success.

i-Ready Math Diagnostic Results in 5th Grade

****Students Must Meet Criteria in All 4 Domains**

Met	Math Domain (Standards)	Required Score on i-Ready
✔	Numbers and Operations (NO)	**Placement in Late Grade 6** ***Domain*** Scale Score **563** or higher
✔	Algebra and Algebraic Thinking (ALG)	**Placement in Late Grade 6** ***Domain*** Scale Score **563** or higher
✔	Measurement and Data (MS)	**Placement in Grade 6** ***Domain*** Scale Score **541** or higher
✔	Geometry (GEO)	**Placement in Grade 6** ***Domain*** Scale Score **541** or higher

****Metrics have been adjusted due to testing being administered in late March and early April.**

Questions?

If a parent or guardian has questions regarding the process or the results, they may access updated information on the Mathematics website and review the Frequently Asked Questions document.
