FRIDAY FAMILY UPDATE #13 **November 19, 2021**

Good afternoon AMS Families!

Quarter one report cards and Fall 2021 NWEA Family Reports went out in the mail today and should be arriving home sometime next week. Please remember that you can always check PowerSchool for the most up to date grade information. If you have any questions about the report card or the NWEA report please contact your student's teachers.

Pooled Covid testing began this week at AMS. Students did a great job! We are hoping to significantly increase the number of students participating in our pooled testing program. This can be a powerful mitigation strategy when participation is high. Click here for more information on pooled testing: [Auburn School Department Pooled Testing Update](#)

I am excited to announce the creation of a new Parent Advisory Committee (PAC) at AMS. The Auburn Middle School School Parent Advisory Committee's role will be to provide advice and guidance to AMS administrators relating to our school goals, programs, activities, resources, and services in order to help us achieve our goal of providing each child with the best education possible. If you are interested in being a member of the AMS Parent Advisory Committee please send me an email directly indicating why you are interested in being a part of this important work. My direct email address is rgriffin@auburnschl.edu

Athletic information can be found on our [AMS Athletics Website](#). Please contact Anthony Timberman with any questions related to athletics. His email is atimberman@auburnschl.edu

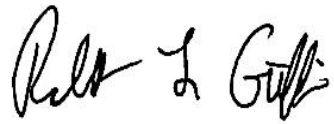

Our school website can be found here: [AMS Website](#)

Here is a link to the daily family COVID Screener. [Covid Daily Health Screener](#).

Please remember that students only have school next Monday and Tuesday. Thanksgiving break begins on Wednesday. There will be no Friday Family Update next week.

Enjoy the weekend!

Sincerely,

A handwritten signature in black ink, appearing to read "Bob Griffin". The signature is written in a cursive, flowing style with a large initial "B" and "G".
