- Dr. Virginia Kennedy, CSU Northridge, **Year 3**

SST Mentors vs. Mentors

SST, or School Support Team, Mentors are mentors who are not site based but rather part of the Bright Star Team that supports all schools. This group includes, for example, our Director of ELA, our Director of Math, and our Science Coach. Because of their positions, we knew they could not be interviewed with our school based mentors so they are in a separate interview group.

CTC Role	Title/Role	Name
