

Check out great volunteering opportunity in Riga, Latvia! 🇱🇻

Youth Studio “BaMbuss” is looking for **2 youngsters** to be a part of a European Solidarity Corps volunteering project in Riga, Latvia.

★ Where? **Youth Studio “BaMbuss”**, Riga, Latvia.

★ When? **July – August 2023 (2 month)**

★ Who? Youngsters aged between 18 and 30 years from EU countries, able to communicate in English, which will be working language. We are open to all volunteers, however, qualities that we consider to be necessary and advisable for volunteers are communicativeness, creativity, positivity, ability to work in a team, as well as independently assume their responsibilities, to participate in decision-making processes by adding their own ideas and suggestions to improve organization's activities. We would prefer you to be interested in organizing events and leading some workshops for youngsters in our youth studio or outdoors, communication, photography, editing and filming videos, social networks. We don't ask you to have specific knowledge in these topics, but you should have the desire and get ready to learn doing all those things.

★ What? Baltic Regional Fund (BRF) is a non-governmental organisation. It was born in Riga, but Europe is its home. BRF's energetic team organises activities all around Latvia and participates in many projects on European level. The organisation works with people from different age, education, social status and cultural background. Youth Studio BaMbuss is an initiative of BRF. It is a special place for youngsters, where they can develop social, artistic and professional skills. Volunteers will be actively involved in all BRF and #jsBaMbuss activities and will organise their own initiatives, events, workshops, information campaigns etc., get to know different cultures through participating in various events, activities, youth projects and charities activities with young people and youth organisations from all Latvia.

The working language will be English.
