

Rachwal Remote Learning Plans - March 16-20

****Click on the [BLUE](#) links to go directly to the sites****

Check-In

- Answer the check-in question for the week, "Have you done something with your family this week?" on [Google Classroom](#)

Reading

- Read from your novel or another "good fit" book 30-35 minutes each day
- [Google Classroom](#) novel brochure assignment **Due March 30th**
- [ReadWorks](#)
 - article-a-day - "Protecting Water and Watery Habitats" - read 1 or 2 articles a day, and type two interesting things you learned from the articles in the "Book of Knowledge" **Due March 27th**
 - "It's Opening Day" article/comprehension questions **Due March 30th**

Optional Reading Activities

- [Seesaw](#) - Book Review Movie Trailer - do a short video getting friends interested in reading a good book that you recommend.
- Listen to audio of read-aloud - I have recorded Chapter 13 of "The True Confessions of Charlotte Doyle" Enjoy!
- [Scholastic Remote Reading Activities](#)
 - Choose something to read that interests you!
- [Epic](#)
 - Choose books to read on Epic

Spelling

- Review the words on Spelling List Week 25 (the pattern is adding the suffix "ible"), choose two of the following activities and turn into [Google Classroom](#):
 - Type each word 3 times each
 - Type a sentence using a spelling word (use at least 10 of your words)
 - Type a definition for each word (use at least 10 of your words)
 - Type your word list in alphabetical (ABC) order (use ALL words)**Due: Friday, March 20th**

Writing

- Work on the "Water" opinion paper on [Google Classroom](#). I do not expect you to turn in your blueprint this time, however, use it as a guide for your paper. Also review the rubric to make sure you have included all of the elements that are required for this paper. This should be done by **Friday, March 27th**.

- Garden Vegetable Research - we have been assigned "KALE" as our class vegetable to research. Look up 10 interesting facts about kale, number them and turn them into [Google Classroom](#).

Math

- [Zearn](#) - log onto Zearn and start the Module 4 assignments.
- Other math learning websites you may practice on:
 - Splash Learn, Mobymax, Prodigy, Freckle, Khan Academy, Xtramath
- Eureka Math
 - Lesson Review, Module 4, Lesson 26 - "dividing a fraction by a whole number"
 - View video and do practice sheet

Science/S.Studies

- [Seesaw](#)
 - Label the Midwest Activity
 - Earth's Systems Interactions - Look at the image of the coastline of Lake Michigan near Whitefish Bay, Wisconsin. Identify how the systems of the Earth are interacting within the image.

Socio-Emotional Learning

- [Google Classroom](#)
 - Video - "Grit" - watch the video and leave a comment. Think of the words "persistence" and "resilience"
