Sport4Kids App

The Sport4Kids App is an industry first, tracking your child's progress through their Progression Pathway which houses the full Sport4Kids curriculum, for each sport and each age group. By downloading the app, you will also gain access to our weekly Practice@Home videos, to supplement what your child learns each week, from the comfort of your own home! Watch your child collect MVP Championship points by progressing in sessions and uploading practice videos for your coaches to give feedback to. To download, simply press one of the buttons below. Use the account you created to make this booking to login. If you've forgotten your password, use our reset button below!

Practice@Home

We have new Practice@Home Videos every week across all our sports, tailored specifically to each age group's mini and micro motor skills and abilities! From CBeebies style videos for 18 Month olds right the way through to videos with pro footballers for 14+ Year Olds, there's something for every age!

Progression Pathways

Our Progression Pathways track all our children's progress across their sport and age group. Our coaches update them regularly, to reflect all of the progress that the children are making! Keep track yourself on your child's dashboard.

Cancellation Policy

Class attendance is set up on a no minimum term recurring card payment, which can be stopped by providing two weeks' notice before the next renewal date in writing to enquiries@sport4kids.biz.

Unfortunately, payment plans cannot be paused for "one off" missed sessions due to the continual overheads of venues and coaches.

We offer a renewal amendment facility if two or more consecutive sessions are missed provided, we are notified in advance of these missed sessions which can be used on up to three occasions per calendar year. During this time, your child's place will remain secured. Our full terms and conditions of membership can be found [here](#).

Once again, thank you for joining us. If you have any questions or need any help, please do give us a call on 0300 303 3866.

Best wishes,
S4K Customer Service
