

2025 SCS | Pwaaparation:

Collaborative Writing Topics

⚜️ 2025 Practice Writing Topics: Set #1

- ## Topic 1
  You are a musician who is looking to develop their skills. How would you go about this? You can use any method or approach you wish to use.

- ## Topic 2
  You are tasked with motivating the people of your community, encouraging them to take up a particular cause during a challenging time. How would you encourage them, and why? How would you ensure that your message resonates well?

- ## Topic 3
  What has been the most impactful effect related to the use of fire in human development and society-and is the effect good or bad? Whatever it may be, what makes it impactful?

⚜️ 2025 Practice Writing Topics: Set #2

- **Topic 1**
  Your professor just sent the whole class an email: you have to design an arcology for your final project. Describe its architecture, unique functions, social dynamics, and technological innovations.

- **Topic 2**
  The world has lost all familiar brands. You have the power to revive one iconic brand. Which brand would you revive, what would you change and what impact would this have on the world?

- **Topic 3**
  A book which contains all known and unknown information suddenly appears on Earth. How would the people respond? What kind of information would be uncovered? What becomes true and what becomes false?

- **Topic 4**
  Imagine that there is a machine which can enable people to gain the ability to assert absolute control over anyone's mind. How should this machine be utilized? How will society be impacted? Who should get to use this machine?
