DAILY ANNOUNCEMENTS – PTSA

5Star PASS SYSTEM

This semester our school will begin using a new platform called [5Star Student Management System](#). This platform will allow us to track and monitor student attendance, passes from class and encourage student participation inside and outside of school.

Students, if you have a smartphone, we *highly* recommend that you download the [5Star Students application](#). The 5-Star Student app creates a virtual student ID to track and monitor attendance, passes, view point totals, rewards, activities, events, and more. You can also access eligible surveys, voting polls, get school news and notifications, and even check-in to events!

As per school rules and School Board Policy, students must still carry their physical ID card. The 5Star system works using those, too. It isn't necessary to have a smartphone and, as you know, cell signal isn't great in many areas of our building anyway. So, in sum, it can be convenient to use a smartphone, but you should always have your physical ID card. (If you ride MTD buses, you would need that card anyway because 5Star on your phone doesn't note that you have permission to ride.)

We will be working with students during PE/Health/Study Hall classes in the coming days to explain the new system before starting it school-wide.

COLLEGE AND CAREERS

Message from Mr. Tanner:

Each year, Mr. Tanner meets virtually with parents/guardians and their student(s) to discuss post-secondary plans. If you have questions about the 4-year college/university process, our military branches, employment opportunities in C-U, the trade skills, Parkland College and Pathways, and much more, please email Mr. Tanner (tanneran@u4sd.org). At this time, these virtual meetings are only available for our current Sophomore, Junior and Senior families.

Financial Aid Nights Resources/Presentations for Senior Families:

To view the financial aid presentations and other handouts, senior families are encouraged to have their student(s) log into the "SENIORS - Class of 2024" Google Classroom. Then, please visit the Financial Aid section under the coursework tab. All presentations and handouts are available in both the English and Spanish languages. For questions, please email Mr. Tanner (tanneran@u4sd.org).thurs

FAFSA Completion Night for Senior Families Only, January 25th:

During this workshop, families will be able to get questions answered to complete either the Free Application for Federal Student Aid (FAFSA) or the Alternative Application for Illinois Financial Aid (Alternative Application), intended for qualifying undocumented and transgender students. These are the forms used to apply for financial aid, such as the Federal Pell Grant and/or the Illinois Monetary Award Program (MAP). Many colleges also use these forms to

consider students for institutional money. Individuals should create an FSA ID prior to the workshop to expedite the submission of the FAFSA. Please note that the FSA ID is not used with the Alternative Application. Individuals should have readily available information regarding their income and asset information. For questions, please email Mr. Tanner (tanneran@u4sd.org)

- * This is an in-person event only
- * Chromebooks will be provided to those who are unable to bring a laptop/chromebook with them to the event

CHESS: Cancer Health Equity Summer Scholars:

Cancer Health Equity Summer Scholars (CHESS) is a program run by the University of Illinois Cancer Center. It empowers **high school students** underrepresented in biomedical research to conduct their own cancer research project under the mentorship of a University of Illinois Cancer Center faculty researcher!

Students will design, conduct, and report on their research project; hear from cancer researchers, learn about healthcare disparities and ways to address them; and engage in workshops to build research and professional skills! **Students who will have completed their sophomore, junior, or senior years of high school leading up to the program are eligible to apply.**

This is an 8-week summer program June 10 - August 2, 2024, on the University of Illinois Chicago campus. Participating students expect to commit up to 40 hours per week, and will receive a taxable cash stipend. Students must **apply by 11:59 PM of January 31, 2024.**
