Conclave Planning Committee (*Chair, Alex Mendenhall, amendenhall@wisc.edu*):

Help to plan and coordinate Wisconsin Student Conclave (WiSC) 2024. WiSC is the only student-run professional PT/PTA conference in the state of Wisconsin. This is an excellent opportunity to make sure your voice is heard on what you feel students around the state want to see at a professional conference like this. Think of this as a big party planning committee because that's essentially what it is! This is also the largest networking event we as students can attend and is a great opportunity to get your name out there and build up your resume for future employment opportunities!

Fundraising Committee (*Vice Chair*):

As a member of the fundraising committee, we can work together to help raise funds and support our goals for the Student Special Interest Group (SSIG). The more money that we have, the more opportunities we have to support students in their preparation to become effective therapists in the future. We hope to have new and unique fundraising events each year, and are always looking for students to help coordinate and participate in the fundraising committee. This is also a great opportunity to work with students from different colleges/universities, all while gaining valuable leadership experience.

Social Outreach (Social Media) Committee (*Secretary*):

Help expand our engagement with the students from different programs via social media posts, inviting people to/sharing information about upcoming events, creating awareness about political happenings, and more! Additional postings may include student of the month, information about residencies/contact info, excellent guest speakers and contact information, scholarships, information on mission trips/global health, and/or volunteer opportunities.

Student Networking (Social) Committee (*Nominating Chair*):

Plan fun get-together events throughout the year to help connect students from different DPT and PTA programs. We are looking for students from all different schools on the committee so that we can plan events in each city! Social events are a great way to meet other PT students and create lasting friendships. On this committee, you will have the chance to voice your opinion and plan these events. If you have great ideas, love to plan, or just want to be involved with an awesome group of fellow PT students, join the Student Networking Social Committee.
