Dear P.S. Families,

There has been a change made by the Department of Education regarding the opt in for blended learning. Please DISREGARD the information I sent to you last week.

The following decision was made by the Department of Education.

"The process outlined below will be the only opt-in window for families this 2020-2021 school year. We believe that this best meets the needs of students, families, teachers, and school leaders as we establish strong routines and structures for learning. As such, the process for blended learning opt-in is as follows:

Monday, November 2 – Sunday, November 15: Blended Learning Opt-In Window for Families

Learning Preference survey

Families requesting to change from 100% remote to blended learning should complete and submit

during this window.

Schools will be able to review individual students' updated learning preference on a rolling basis during this window.

During this time, Superintendents, Executive Superintendents and Central DOE will begin supporting schools to ensure as many students as possible are accommodated for blended learning."

Please note this is the only time that you can opt in for the school year 2020 -2021.

Our current Blended Learning is functioning very well. Please follow the guidelines that are outlined in the link below. We are looking forward to seeing your children in our building. Please feel free to contact me if you have any questions at akirran@schools.nyc.gov Please add your telephone number so I can address your concerns immediately.

Best Regards,

Anne
