

Wreaths Across America focuses on remembering, honoring, and educating about veterans. Individuals may sponsor a wreath or volunteer at designated cemeteries without having to contact anyone in advance.

Sponsoring a wreath directly supports these cemeteries and helps ensure that every veteran is commemorated with a wreath.

Local supporting groups work together to support the cemeteries listed above. In 2024, over 1500 wreaths were laid amongst Yates Thagard, Johnson Grove, Old Bethesda Church Cemetery and Pinelawn Memorial Park.
We hope to surpass this number for 2025

What does it mean to Remember, Honor, and Teach?

While we have Veterans Day in the fall and Memorial Day in the spring, our servicemen and women sacrifice their time and safety every single day of the year to preserve our freedoms. In many American homes, every day, there is an empty seat for one who is serving or one who made the ultimate sacrifice for our country and never came home. That is why the Wreaths Across America mission to Remember, Honor and Teach lasts all year long, far beyond the single day in December when we coordinate wreath-laying ceremonies. Throughout the year, Wreaths Across America works in several ways to show our veterans and their families that we will not forget—we will never forget. Read on to see the many ways we Remember and Honor our veterans, and Teach the next generation to do the same.
