

# Eucalyptus Massage Oil

## Product Analysis

The Eucalyptus + Peppermint Massage Oil is an energizing body treatment designed to refresh the senses and awaken the mind. Infused with the crisp, herbaceous aroma of **eucalyptus essential oil**, this formula helps promote mental clarity while easing tension and restoring vitality. A revitalizing synergy of **peppermint, tea tree, and lemon oils** adds cooling comfort, purifying freshness, and uplifting brightness—making it ideal for fatigued muscles or moments in need of renewal.

Lightweight carrier oils, including **grapeseed, sweet almond, and fractionated coconut**, provide a smooth, fast-absorbing glide that nourishes the skin without residue or heaviness. Perfect for professional massage or daily self-care rituals, this oil delivers a clean, invigorating boost that enlivens both body and spirit with every application.
