danisnotonfirevyou1 highlights: [1](#) [2](#)

- he wasn't watching sam pepper before going live on purpose younow lead him there (smh younow)
- his twitter icon is still disgusting
- mentioned isle of man trip and horse things
- he forgot how huge horses are
- they're majestic but terrifying
- the horses scraped their lips on their hands as they ate the horse nuts. Yumm.
- horse selfie wasn't meant to be serious
- they felt pure terror while taking the picture
- they decided the eyebrow thing had to do with perspective and lighting
- thanks to everyone for debating the eyebrow
- the last metal album he listened to was bloodstone and diamonds by machinehead
- he's gone on an fka twigs spree this week
- phil told dan he needs to stop forgetting what he's talking about halfway through sentences in livestreams
- educate yourselves on fka twigs she's 10/10 watch glass & patron on youtube
- top artists atm fka twigs, muse, and iamamiwhoami
- tweet fav story: because of pride and everyone being like "oh my god" it was on his tl and he faved it cause he thought it was funny. Then he realized. he had a breakdown later but he still thinks it's funny. Classic Dan Moment.
- "there's nothing wrong with anal sex"
- lovewins is really good and huge and important
- he's felt healthy from being vegan
- he hasn't had time to be tempted by things so that's good
- except when they went to a youtube gaming event and there were cupcakes and phil made him eat one and he broke his vegan thing 3 days in
- "phil the satan's snake"
- it's really hot in london
- he feels sorry for everyone who's still in school
- the place they did the paper towns thing at was like a crack alley but the event itself was cool
- cara delevigne is cool
- otp is cara and st vincent
- he saw the winnie the pooh petition thing and one of his friends who works at disney showed it to him
- he did the siri 0/0 thing
- he then argued with siri on cam

- we are all sharing a human trash can
- he never watched the wiggles as a child
- he gets behind mulan the most out of all the disney princesses
- there's a new gaming video going up tonight
- he forgot when they filmed the video but it was yesterday
- he hasn't made a video in a while because of the sweden thing
- he was in sweden because he was filming a tv documentary for the bbc about professional gaming
- that's also why he's so busy
- dinof is still the most important thing to him and he wants to put up a new video as much as we want a new one
- he feels bad for not telling us things beforehand but for certain reasons he can't
- he's doing a lot of things atm but it's fun
- he wishes he had a bit more control over things (like their book marketing)
- filming new dinof video tomorrow
- "can you be my dad?" "i could legally adopt you. will you feed me popcorn when i'm sad?"
- half of 2015 is over wtf
- he thinks it's safe to say they'll be touring in america
- he saw shane reacted to his first video
- he then got up to get water and played chopin as he left
- then we listened to another minute of chopin
- he's not wearing pants
- "i'm just gonna sip the chat"
- watching true detective and x files atm
- kanye was great at glastonbury
- kanye is his "fav"
- it's a rollercoaster
- it was brave of him to do it so simplistically and alone but he kinda wanted kanye to go out more
- go watch kanye's coachella performance
- he needs a haircut
- #ripwowza
- he misses liveshows when he doesn't do them
- and he's hungry goodbye dan
