*(It's 1am at a house

Just wandering around.

Are flashing. Two dudes
Bump into each other)*

ANDY

No way. You're joking me. Is that THE Big Nate out and about on a Saturday night?

NATE

Oh, hey Andy! Good to see ya!

ANDY

Good to see me? Man let's talk about YOU! I haven't seen you out of the room in like, what, 3 months?

NATE

Yeah, well, don't expect me to become some kind of party animal any time soon. A friend of mine invited me out here, and I just thought it'd be rude to shove her off.

ANDY

Mister personality here! You're finally getting on my level.

NATE

Your level? Uh, Andy, I know you. You're a big clubbing person. What are you doing at this party? This is meant for, like, the smash bros club and their recent competition.

ANDY

See that's that level I was tellin' you about. The dudes here are losers, but the ladies? En fuego, man!

NATE

You don't speak Spanish-

ANDY

And, like you, mister ladies man, I've got a bitch of my own! And you know what, I think she's the one.

NATE

Congrats, I guess?

ANDY

Yeah she's new around town, and I saw her hanging with these gamers so you know I had to season that meat before anyone else could.

NATE

Eugh...

ANDY

Cmon man, be happy for me! I celebrated your win. I was bitchless like you for the longest time and suddenly I got one on my dick and you're upset?

NATE

Dude... Can you, like, stop calling her a bitch?

ANDY

You haven't even reached first base and suddenly you're a changed man? You're kinda pathetic bro.

NATE

If she's your personal property, why isn't she with you now?

ANDY

She went outside.

NATE

Oh, really? Well if I go out there right now, I'll see a beautiful woman, right? You're talking all this big talk, but you haven't even described her yet.

ANDY

Trying to survey the pastries, huh? Well she's MINE, so you can back off.

NATE

Ohhhh, but it would make me soooo jealous, Andy!

ANDY

Oh you're gonna be jealous, all right. I've never seen a female with hair like hers. Hefty, wavy hair, and it's pure gold. It matches perfectly with her white skin.

NATE

That tracks.

ANDY

When I take her to get groomed, I always make sure she walks out of there with a pink bow on so everyone can fawn at my bitch. And those groomers are so nice! I pay them a standard rate, but they always make sure to cut her nails as an extra, and when they have more time on their hands, they paint her nails pink!

NATE

A groomer? I didn't know they had places that did nails AND hair.

ANDY

Nate, you thought women couldn't have their periods at night because they lay down sideways. You know nothing about women.

NATE

Touche. What does she wear? I'm not really seeing any blonde girls around here...

ANDY

Told you bro, she's outside. She should finish in a few minutes. For her outfits, I got her a handful of collars, but she always

prefers her basic black one. I guess she's just going through an emo phase right now.

NATE

Please keep your weird kinks to yourself.

ANDY

Actually, on our most recent date, she DID wear a harness! It was sparkling and pink, she looked so pretty in it. She's actually wearing it tonight, so I'm excited for you to see how I style my bitch. Then you'll know who got the better woman.

NATE

Huh. So, like, where are you guys in the dating stage? Just talking, or holding hands, or...?

ANDY

Well, it would be kinda hard to hold hands as we walk. But I do hold her paws when we're sitting at a restaurant! And whenever we go out, she's always desperate for a bite of my food, so I make sure to slide some off the plate down to her. I give my bitch what she wants.

NATE

P-paws?

ANDY

Oh, am I going too fast?

NATE

No, paws, like feet.

ANDY

Oh, yeah, I call them her bear paws. She had the biggest feet in the litter, so I call her my little bear.

NATE

This is a woman we're talking about, right?

ANDY

Yes, it's a woman. And she's MY woman. MY bitch. So you better back off.

NATE

Andy, are you dating a dog.

ANDY

Yeahhh, that's my dawg alright!

NATE

Can you show me a picture of her. Please. I'm getting concerned.

ANDY

Ohhh, look at big ole Nate over here. He gets with ONE woman and suddenly he thinks he has balls of steel. Newsflash, Nate, she's never going to be into you!

NATE

I hope not?!

ANDY

You hope not? Nate, are you gay?

NATE

I'm not interested in animals, Andy!

ANDY

Glad to know you aren't a furry! No need to shout it out to everyone!

NATE

Show me a picture of your bitch right now.

ANDY

No, you want to see my bitch? I'll show you my bitch. Here she comes right now.

(A woman walks up to the duo)

Here she is! In the flesh!

WOMAN

Hiiii!

NATE

Oh! You're real!

WOMAN

Um... Yeah! Aren't we all?

NATE

Andy man, I'm so sorry. I guess I've just been inside for too long,
and have missed out on some modern lingo.

WOMAN

I wish I could say I knew what you two were talking about, but
people have been talking and your little argument has totally
brought down the vibe. You two have to leave.

ANDY

Thanks, Big Nate. C'mon cupcake, we're leaving.

*(Andy takes a leash out of his pocket and
Attaches it to a person in a large, pink
Fursuit who has wandered on stage.)*

Did you go potty outside? Good girl! Daddy's little bitch!

NATE

To woman

...Can I have a beer before I go?
