Bullen Middle School ensures every child receives high levels of academic and social emotional growth toward becoming independent in the changing world of tomorrow.

8th Grade Promotion Celebration (8th Grade Parents Only)

As we get close to the end of 3rd quarter, it is getting time to prepare for our celebration to recognize our 8th graders as they move to high school. Please save the date of June 11th in the evening to celebrate them. We will continue to celebrate our kids with an outdoor drive-thru celebration honoring each student with their promotion medal and possible awards. The students will "walk the outdoor stage" with the principals and then be celebrated as they walk the line of their teachers. More details on that will come out later. Then, we will have a more formal video released that evening to be able to watch at home with multiple friends and family. We have found that this format celebrates your child in an individual way and allows multiple relatives to participate in the milestone. Our past 8th graders have really enjoyed the celebration. Please watch for future communication.
