DECEMBER 2026

Fourth Grade News

Literacy

We begin working in Module 3 of Into Reading - Rise to the Occasion. Students are developing their writing skills by constructing opinion essays. Please continue to remind your child to log on to Raz-kids and Myon in order for them to continue to build stamina when reading.

Math

We are currently working in Topic 5 in Envisions - Use Strategies and Properties to Divide by 1-Digit Numbers. Please continue to remind your child to practice their multiplication facts.

Social Studies

In Social Studies, fourth graders will continue working on Unit 2 - The First New Yorkers, focusing on Chapter 3 - Early People of New York, Algonquian People, and the Iroquois League.

Science

Fourth graders are working in the Amplify science program. We are focusing on the Learning Objective, "To learn how energy is converted in systems."
