About Me

Hello! Thank you so much for considering my voice for your project 💗
I specialize in soft, feminine, warm voice acting — from cozy comfort to playful and flirty tones. I offer both SFW and suggestive audio~ If you have certain *needs,* I can help you with that!

- If you are looking for any of the following, consider commissioning me:
  - A personal voice note from me.
  - Roleplay scenario audios.
  - Script Fills for r/GoneWildAudio.
  - A female voice-over for an animation and/or project.
  - Moans and Lewd Sounds for r34 content.

How My Commissions Work

To keep everything organized, I handle commissions in **two** places depending on the type of project:

- **SFW** audios — please contact me through **Ko-fi**
- **Suggestive / NSFW** audios — please request through **Fansly**

- Both platforms help keep communication clear, protect us both, and make sure nothing gets lost. Just message me with your idea, and I'll gently walk you through the rest ♡ (Links at the end of post~)

📌 Please read before ordering!!

- By commissioning me, you **agree** to the following:
  - You must be **18+** to order.
  - Payment is upfront via **Ko-Fi or Fansly**
  - Prices are in **USD**
  - I reserve the right to decline any request
  - Do not train **AI** in my voice
  - Credit is required where my voice appears (**@AuniiVA**)
  - Files are for personal use only, unless commercial rights are purchased

Not for me/Hard No

- As open as I am, there are *some* things that I **will not** record:

  — Minors, loli, and shota themes

— Hate speech/slurs

— Gore and scat (bloodplay is fine)

— Anything that makes me uncomfy

Refund Policy

Because my work is digital and custom-made, **I do not offer refunds once recording has begun**.
If I'm unable to complete your order for any reason, you will **receive a full refund** ♡
