

Stormtracks - Group meeting Schedule spring 2025

Location: U105 (near canteen) with exceptions indicated

Time: Wednesdays 14-15

Please fill in conflicts here:

BCCR Seminars: Mondays 1415-15 (usually)

GEOF313: Mondays 10-12, Tuesdays 10-12, Thursdays 14-16

GEOF328: Tuesday 8-10, Wednesday 12-14, Thursday 10-12

Met Lunch: Thursday 12-13

Some planned events are listed. We'll plan to have meetings those weeks unless a vast majority of people are away. Feel free to update this list with a short summary and/or figure after you've had your presentation.

Date/Presenter/Topic

05/02 [West Wing, room U4020] - Robin - Introduction and PhD work

12/02 - Yangfan: PhD start-up presentation

19/02 - 'Bring a plot' (Stephen, Josh, Stefan (only if needed))

26/02 - (Vinterferie) - we can plan for a meeting unless many people are away

05/03 - Hari - Robustness of storm track responses to changes in Kuroshio air-sea coupling (and a bit on mechanisms)

12/03 - Cancelled

19/03 - Birgit - An evaluation of two ocean reanalyses in the Arctic Ocean (plus some pictures from the East Greenland Current!)

26/03 - Francine - A first look at the CAM+PanguWeather hybrid atmospheric model and whether it's behaving

02/04 [West Wing, room 3180 - Skybar] - Svenya - Response of the Nordic Seas to a marine cold air outbreak – Effect of ocean resolution

09/04 - Josh - What's up with European rainfall in two CMIP6-style large ensembles?

16/04 - Easter - no meeting

23/04 - Kjersti - preliminary analysis on the connection between the front and cyclone lifecycles. (Cancelled and moved to 07.05)

30/04 - EGU - no meeting

07/05 - Kjersti (and maybe Johannes) - preliminary analysis on the connection between the front and cyclone lifecycles.

14/05 - Simon Lee - TBD (BCCR special seminar)

21/05 - Qidi - Impact of diabatic heating on cyclone forecast biases

26/05 - Reto Knutti (special stormtracks BCCR seminar 😊)

28/05 - Bring a plot session

25/06 - Walk & talk (afternoon)!

Plan B if raining - coffee & talk or Nordnes sjøbad & talk?

Who's interested?

- Camille
- Johannes
- Svenya
- Yangfan
- Birgit
- Kjersti
