

7 Magic Energy Experiments Reviews

The [7 Magic Energy Experiments program](#) is based on The 7 Hermetic Principles and Jackie's work for over 1.5 years into kabbalah, Gnostic, alchemy, and other obscure principles similar to these.

This complete review of the 7 Magic Energy Experiments program will provide all the information people need to know before buying.

The 7 Magic Energy Experiments

The main program is about 7 Magic Energy Experiments and audio based on the seven Hermetic Principles. Users must follow each of the 7 guides and audios provided in the program for three days each.

Users can complete all seven audio tracks within 21 days, and if users do not succeed on any step, they have to begin with the same process again since this is how it works.

Every audio file is tied to the preceding one, so the user must adhere to each step as they were done. And not proceed into the next one until they feel confident that they have learned prior steps.

It's because one can't manifest a mansion even when they're not in a position to manifest a vacant parking space.

These are the [7 magic energy experiments](#) required to be done step-by-step to be effective for users:

Experiment 1 Law of Light Law of Light

This test will demonstrate that it's crucial to be aware of every thought that enters in mind. In the first level, it'll be taught how to create sameness within life based on the positive and negative ideas that one allows to come into his/her mind.

At first, this synchronicity may appear to be coincidences. Still, users will be able to quickly discern a distinct indication coming from the Universe.

What are the most significant changes that users can observe during Experiment 1?

At this point, there is a chance that users may meet someone they have been contemplating. Perhaps users will be able to find the last parking [spot in a crowded area](#).

Perhaps an acquaintance they have never seen in a long time might contact them to assist them with something that they would have given up on.

Experiment 2. the Law of Release

In this, users are plunged into The Universe, realizing, maybe for the first time in their life, just how connected they are to the Divine. In Level 1, users will experience the manifestation of a signal or communicated signal through Universe, and it will aid in getting through the specific issue they are dealing with.

When users reach the 2nd level at this point, they will be able to manifest the sign that will lead them straight towards their ultimate goal for the rest of their life.

What changes can users observe In Experiment 2?

Perhaps it's the new home they have bought
Driving in a luxurious automobile
or even with the person, they love at the moment, they are insecure about sharing their feelings.

Experiment 3 A law of Growth

Once gone through aspects of themselves that users may not think were possible, they will be entering this next phase of expansion. This exercise is about clearing past karma, which keeps the person stuck, And allowing breakthroughs in [relationships to take place.](#)

This will help users able to forgive anyone and everything it was they were required to forgive at some point in the past.

What are the most significant changes that users can observe in Experiment 3?

Choosing a new hobby they always wanted to start but didn't know-how
Taking the first step to begin the business of their dreams

Experiment 4 Law of Integration Law of Integration

In this phase, users will have the ability to change an issue in life that frequently is uncomfortable and discover how to turn this emotion into a positive one.

Level 1 will be easy, but users may be much tenser as they progress to Level 2. At this point, users will be in a position to let go of any negative emotions that they hold about individuals, places, or memories.

What are the changes users will notice within Experiment 4?

Release of any negative feelings you have around people
Shift the energy so that eventually NOTHING feels too scary or unattainable for you to pursue!

Experiment 5 the law of Strength

This Experiment will allow users to test the NEW technology through its paces. The goal is to guide users on an adventure to the point in which they may not be aware of what the outcome is going to be.

But unshakable faith in the Universe will give users the [courage to persevere.](#)

In this study, you'll be able to discover the mystery behind the ancient mantra: "What's meant for you won't pass you by."

What changes can you be able to observe during Experiment 5?

Knowing which job is the best fit for them
What kind of relationship makes them happy
What interests give them satisfaction
Experiment 6 Law of Spirit Law of Spirit

To get ready for the last phase that will [determine progress.](#) First, users will have to be able to master masculine and feminine energies. Many people live their lives refusing to embrace their feminine side when they're male and ignore the masculine side if they're female.

First, users will have to be able to master masculine and feminine energies. Many people live their lives refusing to embrace their feminine side if male and distancing themselves from the masculine side if they're female.

Level 1 will be able to work through aligning each of the energy frequencies. By Level 2, users will live life with a balanced, healthy spirit.

What changes can users observe In Experiment 6?

Embracing feminine side, the flowing visionary who creates and speaks manifestations into existence.

And leaning into masculine side and embracing the male side, the driving force behind actions creating desires come to life.

Experiment 7 A Study in the Law of Self-Actualization

In this last stage, users are at the point of intersection between spirit and matter. The ultimate phase can transform energy into what it would like to be.

It is the stage for [Pure Magic and real Alchemy](#)! Here, the user's soul will be fully aware and is raising the frequency to a level that brings in absolute harmony with their fellow humans and the Universe.

In Level 2, the last test, they will be at the top of creating something massive within their life.

What are the changes you will notice In Experiment 7?

manifesting something massive within their own life
