Dear Families,

I hope this message finds you well! As we conclude the first quarter of the school year, I would like to express my gratitude for your ongoing support and partnership. Your children have worked hard and made wonderful progress in literacy, math, science, and more! It's been exciting to see their curiosity and enthusiasm grow every day. Our classroom community is strong, with students demonstrating kindness, respect, and teamwork.

As we head into the track-out break, I wish your family a restful and joyful time together. Whether you're traveling, enjoying time at home, or exploring new adventures, I hope this break provides a wonderful opportunity to recharge.

Thank you again for your partnership, and I am looking forward to a fantastic Quarter 2!
