Your YouTube video about "Outworking Others" was nothing but the truth.

The last line, "Only then will you have a chance of beating the person outworking you right now," really would open a lot of people's eyes.

I've noticed you've recently opened "Hustlers Universe," and I wanted to show you a simple 1-step method that can drive more attention to your sales page through affiliate links.

I've done this for a client and he achieved a 20% increase in followers all done just by sharing his YouTube links to a different audience.

Here's what he said after the first day of sharing his YouTube links:

Yes my g I see the follower are starting to come it 🙌

Hey G here it is this is a few pieces of your spec fully reviewed G I le...

Thanks brother I will check it out very soon bro 💪🔥

I'm confident that if I were to adjust your audience and keep video ideas in mind you'd achieve 1-1k to 3-5k per short.

Are you interested in trying this approach?

If so, just email me and I'll share some specific video ideas that I have in mind.

Take care,

Muhammed.
