Hello -

I'm reaching out because I've recently become aware of the effort you're leading at [org]. As a [person connected to this issue in this way] and as a service designer who partners with mission-driven orgs to amplify impact, I'm truly excited to know this work is happening. And I imagine it's both very rewarding and very challenging.

I would love to jump on a virtual coffee with you to learn more about what you're currently working on/ [reference a specific initiative/article].

Here's a calendly to make it easy for you ...

All my best,  
[Your name]
