

Privacy Policy

Layr

Effective Date: 15.07.25

Thank you for using Layr. Your privacy is important to us. This Privacy Policy explains our practices regarding user data.

Data Collection

Layr does not collect, store, or process any personal user data.

Beat Generation

To generate background, the app sends user input (such as prompts or keywords) directly to Google Gemini for processing. This input is not stored, retained, or used for any purpose other than generating the requested lyrics.

Data Storage

No user inputs or generated lyrics are stored within the app or on our servers.

Third-party Service

Layr uses services to generate lyrics. By using this app, you acknowledge that your input will be transmitted to Google Gemini in accordance with their privacy policy, available at: <https://gemini.google/policy-guidelines/>

Security

We are committed to ensuring the security of your data. User input sent to Google Gemini is transmitted securely and is used solely for immediate processing.

Changes to This Privacy Policy

We may update our Privacy Policy periodically. Any changes will be reflected on this page, and we recommend reviewing it regularly.
